By Order of the Board
Cheung Yin Sheung Subraina
Chairman

EXPLANATORY STATEMENT OF THE SHARE REPURCHASE MANDATE

The following explanatory statement given to all Shareholders relating to a resolution to be proposed at the forthcoming AGM authorising the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 200,130,000 Shares in issue as at the Latest Practicable Date, could accordingly result in up to 20,013,000 Shares being repurchased by the Company during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

2. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may enhance the net assets value per Share and/or earnings per Share.

3. FUNDING OF REPURCHASES

The Company is empowered by its memorandum of association and Bye-Laws to purchase its Shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of the fund of the Company that would otherwise be legally available for dividend or distribution or out of the share premium accounts of the Company for such purpose under the laws of Bermuda. Under Bermuda law, the shares so repurchased will be treated as cancelled but the aggregate amount of authorized share capital will not be reduced so that the shares may be subsequently re-issued.

4. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

As compared with the financial position of the Company as at March 31, 2006 (being the date of its latest audited financial statements), the Directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

EXPLANATORY STATEMENT OF THE SHARE REPURCHASE MANDATE

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of the associates (as defined in the Listing Rules) of any of the Directors has any present intention, in the event that the proposal is approved by Shareholders, to sell Shares to the Company.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the memorandum of association and Bye-Laws of the Company.

7. EFFECT OF TAKEOVERS CODE

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Gay Giano (BVI) Group Limited (72.5 per cent. is owned by Mr. Cheung, 12.5 per cent. is owned by each of Ms. Cheung and Ms. Cheung Yin Fong and the remaining 2.5 per cent. is owned by Mr. Tong) and K & E Industries Limited (99.9 per cent. is owned by Mr. Chuang Tsoi Hung) who held approximately 60 per cent. and 15 per cent. respectively of the issued share capital of the Company, were the only two substantial Shareholders holding more than 5 per cent. of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholdings of Gay Giano (BVI) Group Limited and K & E Industries Limited in the Company would be increased to approximately 67 per cent. and 17 per cent. of the issued share capital of the Company respectively and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeover Code. The Company may not purchase Shares on the Stock Exchange if that purchase would result in the number of Shares which are in the hands of the public falling below 25 per cent. of the Company's issued share capital.

EXPLANATORY STATEMENT OF THE SHARE REPURCHASE MANDATE

8. SHARE PURCHASE MADE BY THE COMPANY

During each of six months preceding the Latest Practicable Date, no Shares have been repurchased by the Company.

9. SHARE PRICES

During the previous twelve months before the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

“(N) Where a substantial shareholder (within the meaning of the Listing Rules) or a Director has a conflict of interest in a matter to be considered by the Board which the Board has determined to be material, the matter should not be dealt with by way of circulation of board resolutions pursuant to this Bye-law or by a committee (except an appropriate board committee set up for that purpose pursuant to a resolution passed in a board meeting) but a board meeting should be held with the presence of the independent non-executive Directors who, and whose associates, have no material interest in the transaction.”

NOTICE OF ANNUAL GENERAL MEETING

6. **Bye-law 111(A)**

by deleting the existing Bye-law 111(A) in its entirety and substituting therefor the following new Bye-law 111(A):

“At each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director, including those appointed for a specific term, shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. The Company at the general meeting at which a Director retires may fill the vacated office.”

7. **Bye-law 115**

by deleting the last sentence of Bye-law 115 in its entirety and substituting therefor the following:

“Any Director so appointed shall hold office only until the next following general meeting of the Company (in the case of filling a casual vacancy) or until the next following annual general meeting of the Company (in the case of an addition to the Board), and shall then be eligible for re-election at that meeting but in the case of a retirement and re-election of such Director(s) at an annual general meeting, such Director(s) shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at such annual general meeting.”

8. **Bye-law 117**

by deleting the word “Special” immediately before the words “Resolution remove any Director (including a managing director or other executive director) before the expiration of his period of office” in Bye-law 117 and substituting the word “Ordinary” therefor.”

Yours faithfully,
