Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$3,000,000,000 divided into 30,000,000,000 Shares of par value of HK\$0.1 each, and there are 22,333,644,432 Existing Shares in issue which are fully paid or credited as fully paid. The authorised share capital of the Company will remain at HK\$3,000,000,000 but will be divided into 3,000,000,000 Consolidated Shares of HK\$1.0 each.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Company.

Conditions of the Share Consolidation

The implementation of the Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders at the SGM to approve the Share Consolidation;
- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with all relevant procedures and requirements under the applicable laws of Bermuda (where applicable) and the Listing Rules to effect the Share Consolidation.

The Share Consolidation is expected to become effective on Friday, 1 November 2024 subject to the fulfilment of the above conditions.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective and the Consolidated Shares which may be issued pursuant to the exercise of the Share Options which may be granted under the Share Option Scheme.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Based on the closing price of HK\$0.168 per Existing Share (equivalent to the theoretical closing price of HK\$1.68 per Consolidated Share) as at the date of this announcement, (i) the value per board lot of 2,000 Existing Shares is HK\$336; and (ii) the value per board lot of 2,000 Consolidated Shares would be HK\$3,360 on the assumption that the Share Consolidation becomes effective.

Fractional Consolidated Shares (if any) will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint Computershare Hong Kong Investor Services Limited as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

PROPOSED ADJUSTMENT TO THE EXISTING SHARE OPTIONS

As at the date of this announcement, there are outstanding Share Options entitling the holders thereof to subscribe for up to an aggregate of 348,746,800 Existing Shares. The Share Consolidation may cause adjustments to the exercise prices of the Share Options.

Under the conditions of the Share Option Scheme, in the event of any alteration in the capital structure of the Company while any Share Options granted remain exercisable, and such event arises from, among other things, consolidation of the Shares, the Company shall appoint its auditors or an independent financial adviser to certify in writing the adjustment to the existing Share Options including the outstanding number of Share Options and exercise price, and an adjustment as so certified by the calculation agent shall be made. The Company will engage an independent financial adviser or the auditors of the Company to certify the adjustments to the outstanding Share Options and the Company will make further announcement(s) as and when appropriate in this regard.

Save for the aforesaid, as at the date of this announcement, the Company has no other outstanding options, warrants or securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

REASONS FOR THE SHARE CONSOLIDATION

In view of the recent trading price of the Shares, the Board considers that the Share Consolidation will enable the Company to comply with the trading requirements under the Listing Rules and enhance transaction efficiency. Firstly, the Share Consolidation is anticipated to increase the market value of each board lot, where the trading unit remains constant. This increase is expected to reduce the relative costs associated with transactions. A higher share price following the Share Consolidation is likely to result in more favorable bid-ask spreads, which is beneficial for the trading process. This improvement in spreads is projected to stimulate trading activities, thereby increasing both liquidity and turnover in the market. Moreover, the Share Consolidation is expected to reduce transaction costs, which can become significant when the stock price is low, as certain fees are calculated on a per-share basis. Lastly, certain international financial institutions are often restricted from investing in stocks that are priced below a specific value, typically around the HK\$1. The Share Consolidation will thus make investing in the Shares more attractive to a broader range of investors, and therefore further broaden the shareholder base of the Company.

The Board considers that the Share Consolidation is essential to achieve the above-mentioned purpose. Taking into account of the potential benefits and the insignificant amount of costs to be incurred, the Board is of the view that the Share Consolidation is in the best interest of the Company and the Shareholders as a whole.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may affect the trading in the Shares, and the Company does not have any concrete plan to conduct any fund-raising activities in the next 12 months.
