The board of directors (the “Board”) of Time Infrastructure Holdings Limited (the “Company”) wishes to announce that with effect from 23 December 2008, the financial year end date of the Company has been changed from 31 March to 31 December (the “Change”) to the effect that the current financial period of the Company ending 31 December 2008 will cover nine-month period from 1 April 2008 to 31 December 2008. As a result of the Change, the coming annual financial results and interim financial results of the Company and its subsidiaries (together, the “Group”) will be released as follows:

- (a) the publication of the preliminary results announcement for the nine-month period ending 31 December 2008 and the distribution of the related annual report and audited financial statements to the shareholders of the Company (the “Shareholders”) on or before 30 April 2009; and

The Board further considers that there will not be any material financial impact on the Group due to the Change and there is no other matter of significance which needs to be brought to the attention of the Shareholders in this regard.

The Board considers that the Change is necessary so as to cope with the possible expansion of future businesses in fashion apparel and infrastructure in the PRC market. The Company will hold its annual general meeting on or before 30 June 2009 to approve the audited financial statements of the Group for the period from 1 April 2008 to 31 December 2008.
