PROPOSED CHANGE OF COMPANY NAME

LETTER FROM THE BOARD

PROPOSED REFRESHMENT OF EXISTING GENERAL MANDATE

The Existing General Mandate

At the AGM, the Shareholders passed an ordinary resolution to grant to the Directors the Existing General Mandate to allot and issue not more than 53,465,478 Shares, being 20% of the issued share capital of the Company as at the date of the AGM. The Company has not refreshed the Existing General Mandate since the AGM.

Reasons for the refreshment of the Existing General Mandate

Following the Goldpoly Acquisition, the Company has reviewed the operation of the Goldpoly Group and has considered various development plans to increase the production capacity of the Goldpoly Group by an additional 250 megawatts in the first half of year 2011 so to satisfy the better than expected demand for its product. Funding for the expansion is expected to be approximately RMB300 million. The Board is considering to raise funds through a combination of debts and equity fund raising exercises subject to the prevailing market conditions. Given the rising demand for the product and save for any unforeseen circumstances, the Directors are considering the possibility to further expand the production capacity of the Goldpoly Group by a further 250 megawatts for the second half of year 2011. In order to meet the funding requirements of these development plans, the Company is exploring various methods of fund raising exercises, such as share placing, rights issue and open offer. However, both rights issue and open offer will take a longer period of time as well as will incur additional costs. Share placing may be an appropriate means to capture any fund raising opportunity as soon as it arises. Under the Existing General Mandate, only a maximum number of 53,465,478 Shares can be allotted and issued by the Directors. Although the Existing General Mandate had not been utilized as at the Latest Practicable Date, the total number of the issued share capital of the Company had been substantially increased to 732,407,577 Shares. In order to obtain maximum amount of funding proceeds, the Directors therefore proposed to seek Shareholders' approval at the SGM for the grant of the New General Mandate.

Since the AGM, the Company's issued share capital had been increased in the following circumstances:

- (a) On 25 June 2010, 66,411,680 Shares were issued pursuant to the open offer of Shares on the basis of one offer Share for every four Shares to the qualifying Shareholders pursuant to the terms and conditions of the prospectus documents of the Company dated 3 June 2010;
- (b) On 3 August 2010, 6,722,689 Shares were issued pursuant to conversion of HK\$4 million convertible debenture due 7 November 2011;
- (c) On 6 August 2010, 3,361,344 Shares were issued pursuant to conversion of HK\$2 million convertible debenture due 7 November 2011;
- (d) On 25 October 2010, 92,936,803 Shares were issued as partial consideration for the acquisition as described in the Company's circular dated 25 September 2010;
- (e) On 25 October 2010, 280,000,000 Shares were issued pursuant to the placing agreement as described in the Company's circular dated 25 September 2010;

LETTER FROM THE BOARD

- (f) On 10 November 2010, 2,202,290 Shares were issued pursuant to the exercise of share options granted under the share option scheme of the Company; and
- (g) On 12 November 2010, 13,445,378 Shares were issued pursuant to conversion of HK\$8 million convertible debenture due 7 November 2011.

During the past 12 months immediately preceding the Latest Practicable Date, the Company has conducted the following fund raising activities:

Date of announcement	Description	Net amount raised	Number of Shares issued <i>(million)</i>	Proposed use of proceeds	Actual use of proceeds
20 July 2010	Placing	HK\$133.5 million	280	Settlement of the Goldpoly Acquisition and general working capital of the Group	HK\$100 million has been used for the settlement of the Goldpoly Acquisition and the remaining balance of HK\$33.5 million has been used for general working capital of the Group
11 May 2010	Open offer	HK\$32 million	66.4	General working capital of the Group and/or investments in the Group's principal activities and/or repayment of outstanding loans of the Group	HK\$27.5 million has been used for general working capital and HK\$4.5 million has been used for repayment of outstanding loans of the Group
16 April 2010, 22 April 2010, 9 June 2010 and 20 October 2010	Convertible debentures	HK\$24.4 million	42.0*	General working capital of the Group	HK\$24.4 million has been used as general working capital of the Group

* *The convertible debentures have been fully converted as at the Latest Practicable Date.*

The New General Mandate will, if granted, remain effective until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which next annual general meeting of the Company is required to be held by Bermuda law or bye-laws; and (iii) its revocation or variation by ordinary resolutions of the Shareholders in general meeting.

Pursuant to Rule 13.36(4)(a) of the Listing Rules, the refreshment of the Existing General Mandate requires the approval of Independent Shareholders at the SGM at which any Controlling Shareholders and their associates or, where there are no Controlling Shareholders, the Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates shall abstain from voting in favour of the relevant resolution.

LETTER FROM THE BOARD

To the extent that the Company was aware having made all reasonable enquiries, (1) there were no Controlling Shareholders; and (2) the following Director and his respective associates controlled or are entitled to exercise control over the voting rights in respect of the Shares were required to abstain and will abstain from voting in favour of the resolution for approving the refreshment of the Existing General Mandate at the SGM:

Directors	No. of Shares	Approximate percentage %
Wong Pak Lam, Louis (<i>Note</i>)	105,005,000	14.34
Lam Ho Fai	1,000,000	0.14

Note: Mr. Wong Pak Lam, Louis holds 100% of the shares in issue of Ti Yu Investments Limited and therefore has a controlling interest in it. By virtue of the SFO, Mr. Wong Pak Lam, Louis is taken to be interested in the shares of the Company held by Ti Yu Investments Limited.

Save as disclosed herein, as at the Latest Practicable Date, there were no Directors and their respective associates controlled or are entitled to exercise control over the voting rights in respect of the Shares required to abstain from voting in favour of the resolution for approving the proposed refreshment of the Existing General Mandate as the SGM.

The Independent Board Committee comprising Mr. Chan Ka Ling, Edmond, Mr. Ching Kwok Ho, Samuel and Mr. Ip Shu Kwan, Stephen, being independent non-executive Directors, has been formed to advise the Independent Shareholders on the proposed refreshment of the Existing General Mandate. Partners Capital International Limited has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in this regard. The text of the letter from the Independent Board Committee is set out on page 9 of this circular and the text of the letter from Partners Capital containing its advice is set out on pages 10 to 15 of this circular.

SGM

The SGM will be held at Suites 701–702, Grandtech Centre, 8 On Ping Street, Siu Lek Yuen, Shatin, New Territories, Hong Kong on Friday, 14 January 2011 at 3:00 p.m. or any adjournment(s) thereof to consider and, if thought fit, approve the necessary resolutions relating to (1) the change of company name and (2) refreshment of Existing General Mandate by way of poll.

A notice convening the SGM is set out on pages 16 to 18 of this circular. A proxy form containing the proposed resolutions is enclosed with this circular. Whether or not you are able to attend the meeting, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Union Registrars Limited, at 18/F Fook Lee Commercial Centre, Town Place, 33 Lockhart Road, Wanchai, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the SGM or any adjournment thereof. Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the SGM or any adjournment thereof if they so wish and in such event, the form of proxy shall be deemed to be revoked.

LETTER FROM THE BOARD

Accordingly, the Directors recommend the Shareholders to vote in favour of the resolutions to be proposed at the SGM.

*To the Independent Board Committee

22 December 2010

Dear Sirs,

PROPOSED REFRESHMENT OF EXISTING GENERAL MANDATE

INTRODUCTION

We refer to our engagement to advise the Independent Board Committee and the Independent Shareholders in respect of the proposed refreshment of the Existing General Mandate, particulars of which are set out in the letter from the Board (the "Letter from the Board") of the circular to the Shareholders dated 22 December 2010 (the "Circular") and in which this letter is reproduced. Unless the context requires otherwise, capitalised terms used in this letter shall have the same meanings as given to them under the definitions section of the Circular.

Pursuant to Rule 13.36(4) of the Listing Rules, the refreshment of the Existing General Mandate is subject to the approval of the Independent Shareholders at the SGM by way of poll with the controlling Shareholders and their associates or, where there are no controlling Shareholders, Directors (excluding the independent non-executive Directors) and the chief executive and their respective associates shall abstain from voting in favour of the relevant resolution at the SGM. In this regard, the Independent Board Committee has been established to advise the Independent Shareholders on the refreshment of the Existing General Mandate, and Partners Capital has been appointed as the independent financial adviser to the Independent Board Committee and the Independent Shareholders to advise on the same. Meanwhile, Mr. Wong Pak Lam, Louis, the executive Director and Chairman of the Company and Mr. Lam Ho Fai, an executive Director, and their respective associates shall abstain from voting in favour for the ordinary resolution proposed in connection with the refreshment of the Existing General Mandate at the SGM.

In formulating our opinion, we have relied on the accuracy of the information and representations contained in the Circular and have assumed that all information and representations made or referred to in the Circular were true at the time they were made and continue to be true as at the date of the Circular. We have also relied on our discussion with management of the Company regarding the Group and the refreshment of the Existing General Mandate, including the information and representations contained in the Circular. We have also assumed that all statements of belief, opinion and intention made by the Directors and the Company in the Circular were reasonably made after due enquiry. We consider that we have reviewed sufficient information to reach an informed view, to justify our reliance on the accuracy of the information contained in the Circular and to provide a reasonable basis for our advice. We have no reason to suspect that any material facts have been omitted or withheld from the information contained or opinions expressed in the Circular nor to doubt the truth, accuracy and

LETTER FROM PARTNERS CAPITAL

completeness of the information and representations provided to us by the Directors. We have not, however, conducted an independent in-depth investigation into the business and affairs of the Group and their respective associates nor have we carried out any independent verification of the information supplied.

PRINCIPAL FACTORS CONSIDERED

In arriving at our opinion regarding the refreshment of the Existing General Mandate, we have considered the following principal factors and reasons:

1. Background of and reasons for the refreshment of the Existing General Mandate

The Group is principally engaged in the fashion apparel and retail business and the solar energy business. The Group operates a network of fashion apparel and retail chainstores in Hong Kong. As a result of the completion of the Goldpoly Acquisition in October 2010, the Group is also engaged in the manufacture and sale of solar silicon cells in Quanzhou, the PRC.

As mentioned in the Letter from the Board, the Company was authorized to allot and issue up to 53,465,478 Shares (“Authorized Shares”) pursuant to the Existing General Mandate which was granted by the Shareholders at the AGM held on 24 June 2010. As at the Latest Practicable Date, the Existing General Mandate had not been utilized or refreshed.

As disclosed in the circular of the Company in relation to the Goldpoly Acquisition dated 25 September 2010, the Board expected that future capital commitment and the estimated funding requirement of the Group for the coming year will be approximately RMB84 million for the purchase of machineries for the solar energy business and for building and construction. Accordingly, to enhance the flexibility for the Company to raise additional equity capital for future solar business development, the Directors propose to seek the approval of the Independent Shareholders at the SGM for the refreshment of the Existing General Mandate thereof. The Authorized Shares represented approximately 7.30% of 732,407,577 Shares issued as at the Latest Practicable Date. Upon approval of the refreshment of the Existing General Mandate at the SGM, the Directors will be able to allot and issue up to 146,481,515 new Shares, representing approximately 20.00% of the existing issued share capital of the Company as at the Latest Practicable Date and 16.67% of the issued share capital of the Company as enlarged by the issue of the Shares in full under the New General Mandate.

In the light of the above, we are of the opinion that the refreshment of the Existing General Mandate could provide the Company the flexibility and ability to fulfil the capital required as a result of the Goldpoly Acquisition. Such ability is crucial in a competitive and rapidly changing capital market and investment environment.

LETTER FROM PARTNERS CAPITAL

2. Fund raising activities of the Company

According to the information provided by the Directors, we summarise the fund raising activities of the Company during the past 12 months immediately preceding the Latest Practicable Date in the following table:

Date of announcement	Description	Net amount raised	Number of Shares issued <i>(million)</i>	Proposed use of proceeds	Actual use of proceeds
20 July 2010	Placing	HK\$133.5 million	280	Settlement of the Goldpoly Acquisition and general working capital of the Group	HK\$100 million has been used for the settlement of the Goldpoly Acquisition and the remaining balance of HK\$33.5 million has been used for general working capital of the Group
11 May 2010	Open offer	HK\$32 million	66.4	General working capital of the Group and/or investments in the Group's principal activities and/or repayment of outstanding loans of the Group	HK\$27.5 million has been used for general working capital and HK\$4.5 million has been used for repayment of outstanding loans of the Group
16 April 2010, 22 April 2010, 9 June 2010 and 20 October 2010	Convertible debentures	HK\$24.4 million	42.0*	General working capital of the Group	HK\$24.4 million has been used as general working capital of the Group

* The convertible debentures have been fully converted as at the Latest Practicable Date.

As noted from the table above, the Group has raised aggregate net proceeds of approximately HK\$189.9 million during the past 12 months immediately preceding the Latest Practicable Date. We are of the view that the actual use of proceeds was in line with the intended use of proceeds.

Meanwhile, according to the interim report of the Company for the six months ended 30 June 2010, we note that the Group had cash and bank deposits of approximately HK\$32.8 million and recorded total liabilities of approximately HK\$41.3 million, of which approximately HK\$33.9 million were short-term liabilities (comprising secured short-term bank loans and other borrowings of approximately HK\$5.9 million, amount due to shareholder(s) of approximately HK\$14.3 million and trade and other payables and accruals of approximately HK\$13.7 million) as at 30 June 2010. We also note that the Company has been loss-making for over three years. Besides, according to the unaudited pro forma consolidated statement of comprehensive income as set out in Appendix III to the circular of the Company dated 25 September 2010, further loss would be incurred by the Group after taking into account the effect of the Goldpoly Acquisition.

As advised by the Company, additional cash is needed to fund its daily operations of existing garment retail operation and solar energy related businesses as a result of the Goldpoly Acquisition. As stated in the Letter from the Board, following completion of the Goldpoly Acquisition, the Company has reviewed the operation of the Goldpoly Group and has considered various development plans to increase the production capacity of the Goldpoly Group. In order to

LETTER FROM PARTNERS CAPITAL

meet the funding requirements of these development plans, the Company is exploring various methods of fund raising exercises. We also understand from the Directors that further investments would be needed for the Goldpoly Acquisition in the future and the internally generated fund from the Group's retail business was not substantial as at the Latest Practicable Date. Taking into account the above, we consider that it is reasonable for the Group to maintain a strong capital base to fund the operation of the Group after completion of Goldpoly Acquisition. We are of the view that the refreshment of the Existing General Mandate could provide the Company with flexible financing option to raise additional capital for any future investment in relation to Goldpoly Acquisition or as working capital of the Group and therefore is fair and reasonable.

3. Utilization of the Existing General Mandate

Under the Existing General Mandate, only a maximum number of 53,465,478 Shares can be allotted and issued by the Directors. Although the Existing General Mandate (which was approved on the last AGM on 24 June 2010) had not been utilized as at the Latest Practicable Date, the total number of the issued share capital of the Company had been substantially increased to 732,407,577 Shares upon completion of the subsequent allotments. As a result, the 53,465,478 Shares, which could further be issued under the Existing General Mandate, represent only approximately 7.30% of the total issued share capital of the Company as at the Latest Practicable Date.

Given that the Existing General Mandate was granted in the AGM held on 24 June 2010, we were advised by the Directors that the next annual general meeting will not be held until around end of April 2011, which is about four months away from the Latest Practicable Date. If the Existing General Mandate (representing only approximately 7.30% of the total issued share capital of the Company as at the Latest Practicable Date) is not to be refreshed in the SGM, the Company will not have sufficient general mandate, if so required to be utilized, until a new general mandate is approved in the next annual general meeting.

4. Other financing alternatives

We understand that it is the Directors' belief that the refreshment of the Existing General Mandate will also provide the Company with an additional alternative of equity funding when there is funding requirement or when any business opportunities arise in the future. It is anticipated that the refreshment of the Existing General Mandate could enhance the financing flexibility of the Company to raise equity fund, if and when required, by way of issue of new Shares or other convertible instruments (subject to the stock market condition from time to time) for future development of the Group. The Director have considered various methods of fund raising exercises, such as share placing, rights issue and open offer. However, both rights issue and open offer will take a longer period of time as well as will incur additional costs. Share placing may be an appropriate means to capture any fund raising opportunity as soon as it arises.

The refreshment of the Existing General Mandate would provide the Group with a higher degree of flexibility as allowed under the Listing Rules to issue new Shares or other convertible instruments to raise capital and strengthen the capital base of the Company as consideration or otherwise for such potential investments and/or acquisitions in the future as and when such opportunities arise. Based on our enquiry, the Directors confirmed that at present there is no concrete proposal for any new investment or acquisition for the Group except for the purchase of

LETTER FROM PARTNERS CAPITAL

machineries for the solar energy business and for building and construction. On the above basis, we consider there are acceptable grounds for the Directors to propose the refreshment of the Existing General Mandate thereof in the SGM.

5. Potential dilution to shareholding interests of the Independent Shareholders

Based on information available from public source and from the Directors, we set out below a table illustrating the shareholding structure of the Company as at the Latest Practicable Date and upon full utilization of the New General Mandate:

	As at the Latest Practicable Date		Upon full utilization of the New General Mandate

1. Mr. Wong Pak Lam, Louis holds 100% of the shares in issue of Ti Yu Investments Limited and therefore has a controlling interest in it. By virtue of the SFO, Mr. Wong Pak Lam, Louis is taken to be interested in the shares of the Company held by Ti Yu Investments Limited.
2. Jet Mile Limited, a company incorporated in the British Virgin Islands with limited liability and owned as to 66.7% by Mr. Hung Chao Hong and 33.3% by Mr. Hong Zhonghai.

Assuming that (i) the refreshment of the Existing General Mandate will be approved at the SGM; (ii) no Shares will be repurchased and no new Shares will be issued from the Latest Practicable Date up to the date of the SGM (both dates inclusive); and (iii) upon full utilization of the New General Mandate, 146,481,515 new Shares are to be issued, representing approximately 20.00% of the existing issued share capital as at the Latest Practicable Date and approximately 16.67% of the issued share capital of the Company as enlarged by the issue of new Shares. The aggregate shareholding of the existing public Shareholders will be diluted from approximately 71.29% to approximately 59.41% upon full utilization of the New General Mandate.

Taking into consideration that the refreshment of the Existing General Mandate will increase the amount of capital which may be raised thereunder and will provide more options to the Group for financing further development of its solar business as well as other investments/acquisitions as

LETTER FROM PARTNERS CAPITAL

and when such opportunities arise and the fact that the shareholding of all the Shareholders will be diluted to the same extent upon any utilization of the New General Mandate, we consider that the potential dilution to the shareholding of the Shareholders is acceptable.

Shareholders should note that the Existing General Mandate will be revoked upon approval at the SGM of the New General Mandate which will be and continue to be in force until the earliest of (i) the conclusion of the Company's next annual general meeting; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any applicable law to be held; and (iii) the revocation or variation of the authority given under the relevant resolution to be proposed at the SGM by ordinary resolution of the Shareholders in general meeting. Such duration is in compliance with the Listing Rules.

RECOMMENDATION

Having considered the above principal factors, we are of the opinion that the refreshment of the Existing General Mandate is fair and reasonable so far as the Independent Shareholders are concerned and the refreshment of the Existing General Mandate is in the interest of the Company and the Shareholders as a whole. Accordingly, we recommend the Independent Board Committee to advise the Independent Shareholders to vote in favour of the resolution approving the refreshment of the Existing General Mandate at the SGM.

Yours faithfully,
For and on behalf of
