DISCLOSURE PURSUANT TO RULE 13.13 OF THE LISTING RULE

The Board announces that GPS&T, a wholly owned subsidiary of the Company, has entered into a purchase contract in December 2010 with the Seller as supplier for the purchase of silicon wafer totaling approximately 5.5GW from the year 2011 to 2015. According to the terms of the contract GPS&T is required to pay the Seller purchase deposits in aggregate amount of RMB100,000,000, which constitutes an advance to an entity under Rule 13.13 of the Listing Rules.

The board of Directors (the “Board”) of the Company announces that Goldpoly (Quanzhou) Science & Technology Industry Co. Ltd (“GPS&T”), a wholly owned subsidiary of Time Infrastructure Holdings Limited (the “Company”), has entered into a purchase contract in December 2010 with the Seller as supplier for the purchase of silicon wafer (the “Purchase Contract”). Under the Purchase Contract, the Seller will deliver silicon wafers to GPS&T, totaling approximately 5.5 gigawatt (GW) from the year 2011 to 2015 in increasing numbers. A price adjustment mechanism is included in the contract. According to the terms of the Purchase Contract, GPS&T is required to pay Seller purchase deposits in aggregate amount of RMB100,000,000. The purchase deposits are unsecured and interest free and will be fully set off against the purchase payables to the Seller in the year 2014 and 2015. The deposit amount exceeded 8% of the asset ratio of the Company as defined under Rule 14.07(1) of the Listing Rules and constitutes an advance to an entity pursuant to Rule 13.13 of the Listing Rules.

To the best of the Directors’ knowledge, information and belief, having made all reasonable enquiries, the Seller and its ultimate beneficial owners are independent of the Company and its connected persons (as defined under the Listing Rules).

The Directors consider that the transactions under the Purchase Contract were made on normal commercial terms and made in the ordinary and usual course of business of the Company. The Directors consider that the contract can stabilize the supply of key raw materials on a cost effective basis for the Company. A strategic long term relationship with GCL-Poly will be beneficial to the Company’s growth and expansion.
